

Grad Grams Frequently Asked Questions

What are Grad Grams?

Grad Grams are a personalized greeting card for graduates. Grad Grams are a way to inspire, congratulate, and remember your favorite Grafton HS graduates. You can purchase Grad Grams in two different ways. The “Design Your Own” (blank) Grad Grams are ones that you decorate and return. The “Designer” Grad Gram is already scrapbooked with various messages and stickers. All you have to do is pick out your favorite message on the order form and submit the form to us with the payment enclosed. The Grad Gram pages are purchased in the spring, and collected a few weeks prior to graduation and are assembled into personalized books and given to each graduate with their diploma at the graduation ceremony. All of the money raised from the sale of Grad Grams goes to the Grafton Community Scholarship Fund for scholarships to Grafton HS graduates. Below is a sample of our Design your Own (Blank) Grad Gram and the booklet cover page.

What do Grad Grams Cost?

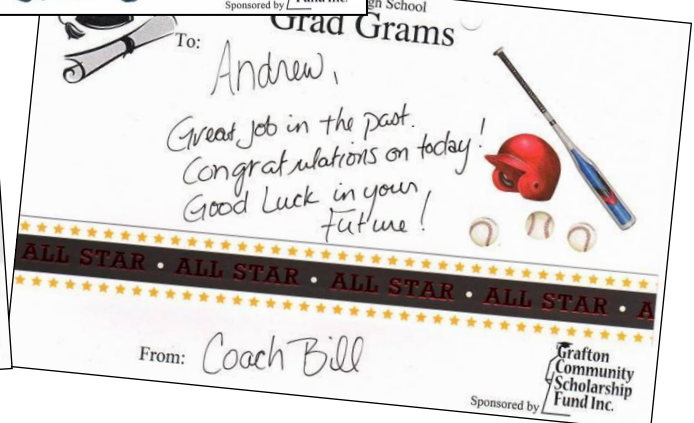

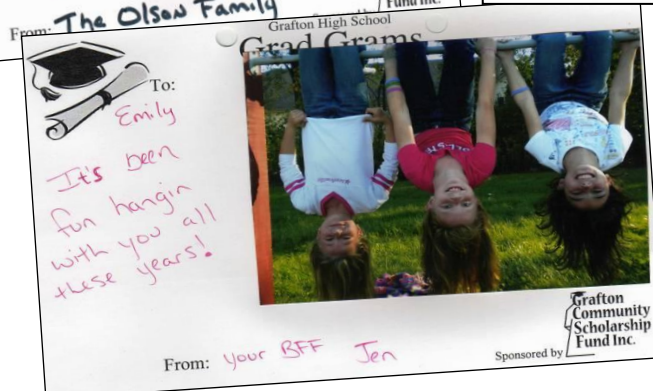

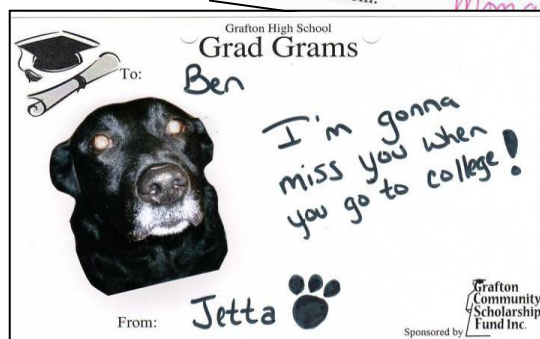

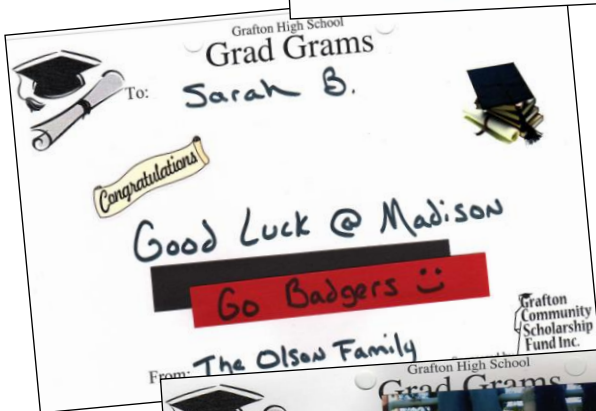

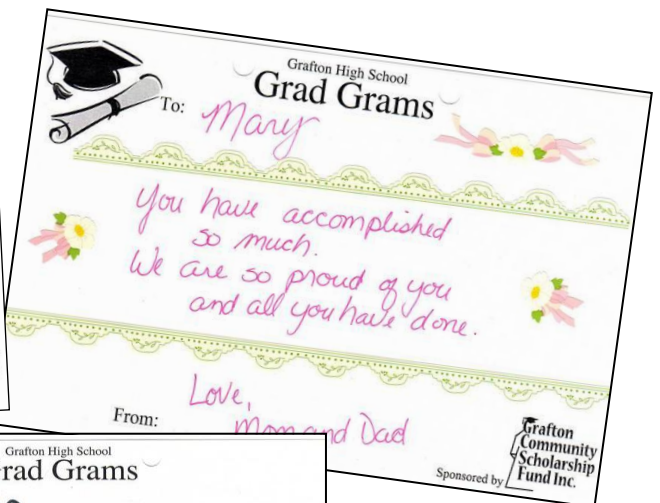

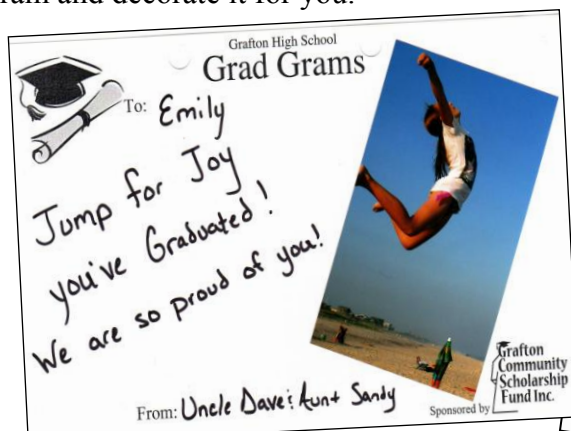

The blank “Design your Own” Grad Grams are just \$1.00 or 6 for \$5.00
“Designer” Grad Grams will be available for \$2.00

How does it benefit my child?

Last year the Grafton Community Scholarship Fund (GCSF) awarded 50 scholarships to our GHS seniors. With your support of Grad Grams the GCSF will be able to provide more scholarships. Grad Grams also benefits the whole family by saving money on expensive store bought cards. Finally, our graduates love the personal messages.

What can I do with the Grad Grams?

You can simply write your own personal message on the Grad Gram and sign it. Or you can attach a photo, stickers, anything you want to dress up the Grad Gram and make it personal for each Graduate. Not feeling creative? Print a message or quote onto the Grad Gram or on a different paper and simply attach. It makes no difference as long as it conveys your thoughts and wishes to each graduate. Check out Grad Grams below to see some sample Grad Grams. If you still are not feeling creative or just lack the time, purchase a "Designer" Grad Gram. Just fill out and send in the Grad Gram order form which is available on the GHS website. You pick out the message we will print out the Grad Gram and decorate it for you.

Where can I get Grad Grams?

The “Design your Own” Grad Grams can be purchase at the high school office. After March they can also be purchased at GES, KES, WES and JLMS.

The “Designer” Grad Grams order form is available at the GHS office or available to download from the high school website.

Who should give Grad Grams?

Our graduates love to get Grad Grams from grandparents, parents, siblings, aunts, uncles and cousins alike. Many families purchase Grad Grams early to mail them to relatives who return them prior to our May deadline in order to be included in the Grad Grams book. What a great way for families who live far away to be part of your child’s graduation. Teachers, neighbors, coaches, scout leaders, employers enjoy giving Grad Grams to graduates they know. The high school student body also has fun giving Grad Grams to their friends, teammates and classmates.

I still have questions, who can I contact?

Feel free to contact any our Grad Gram Committee Members:
